We apologize for any inconvenience these errors or adjustments may cause. CEL has no control over venues cancelling or rescheduling events. Should this occur, CEL will attempt to offer a comparable activity.

CEL sounds like a wonderful experience – how do I get started?

New members must contact a Community Engagement Coordinator to schedule a New Member Orientation and begin the membership process. Membership information should be completed in full and necessary documents provided to complete registration; The Community Engagement Coordinator will be the point of contact during this process. Please note that participation in an onsite program at CEL must occur prior to new members attending community excursions. Speak with one of the Community Engagement Coordinators to set up an appointment: Cassidy Paradise CassidyParadise@ExperienceCEL.org, 847.315.9907 or Maria Stamatidis Maria@ExperienceCEL.org, 847.582.0076.

Can additional supports be provided?

We recognize that some members may require additional assistance to have a meaningful, safe, and successful experience. The program team will assess needs during the new membership process to ensure necessary supports are in place, especially for community-based activities. Our primary responsibility is the safety and security of all members, staff, volunteers, and community partners.

When are program fees due?

Payment is preferred in full at the time of registration. Payment plans can be arranged with a credit card on file. In order to keep your account current, any balances are due in full prior to an event, excursion or recurring program. Please note that programs not meeting minimum enrollment may be subject to cancellation.

Are there any discounted rates or coupons for programs?

CEL is proud to offer financial assistance for eligible members. To request the required forms, please contact a member of our Community Engagement team at Outreach@ExperienceCEL.org for more information.

What is your credit and refund policy?

- A cancellation that occurs prior to the start of a weekly program will incur a service fee of \$50 that will offset the refund. No refunds will be given after the first day of the weekly program.
- For special events and excursions, cancellations must be made 2 weeks prior to be eligible for a credit or refund. If tickets have been purchased for an excursion, the cost of tickets will not be reimbursed unless the spot is taken by another member. If an excursion is canceled by the venue or CEL, the program team will offer alternatives depending on the type of excursion and reason for cancellation. CEL has little control over venues that may cancel events.
- If a medical condition prevents a member from participating in a program, a doctor's note is required and will be evaluated on a case-by-case basis for credit or refund.
- Members who move out of the area will be eligible for a refund once the address change is confirmed

What if I require a dietary consideration for a program or event?

We strive to accommodate the needs of our members and will do our best to meet requests. In some cases, particularly meals that are planned for a group event or those in the community, it may be difficult to ensure special menu choices. When snacks are offered during programs, members must bring their own gluten-free or dairy-free items as an alternative.

more*

The Young Leadership Committee (YLC) is a group of young professionals who support the mission of CEL by building community, raising awareness, and creating meaningful opportunities for people members through volunteering, event planning, and fundraising.

YLC Mission

To cultivate a community of young leaders who champion inclusion, awareness, and opportunity for people with developmental disabilities by supporting CEL through engagement, advocacy, fundraising, and collaboration.

YLC Vision

A joyful and engaged network of young leaders driving awareness, action, and change for people with developmental disabilities where everyone feels connected, inspired, and empowered.

Time Commitment

YLC members commit to 1–2 years of involvement, participating in a few volunteer opportunities at CEL programs and supporting CEL fundraising events throughout the year.

Learn More

YLC members grow as leaders while helping ensure everyone at CEL has the opportunity to belong and thrive. Interested in getting involved or learning more? Visit our YLC page for details.

DID YOU KNOW?

Membership fees only cover 39% of the actual cost of the programs you love and rely on, making those experiences only possible through the support of CEL's donors. The kindness and generosity of our supporters make it possible for CEL to provide committed and caring staff members, program tools and materials, safe transportation, and our beautiful and welcoming Universal Design building.

Donations also fund financial aid, because we never want our members and their families to bear the full cost, and finances should not be a barrier to a life full of wonderful experiences.

If you have the means, please consider supporting our programs and help keep our programs affordable for all.
